

Instructions on changing your iBanking Theme

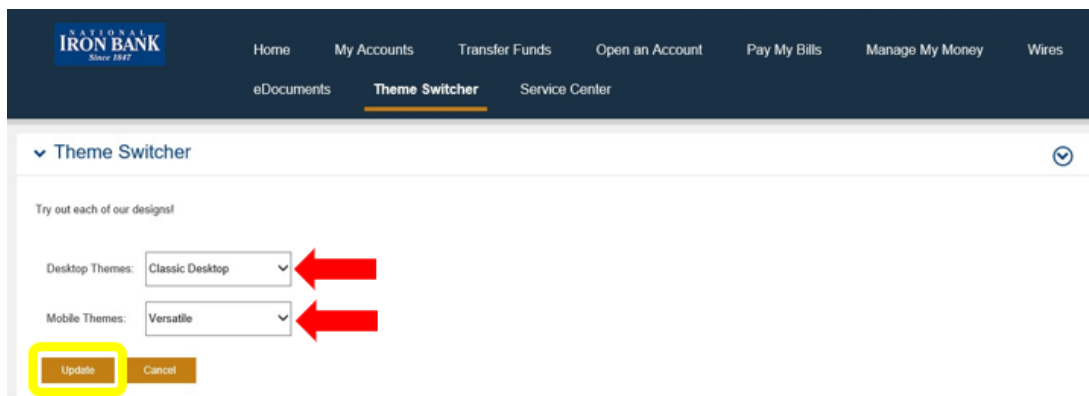

DESKTOP VERSION:

(scroll down to review instructions for Mobile/App version)

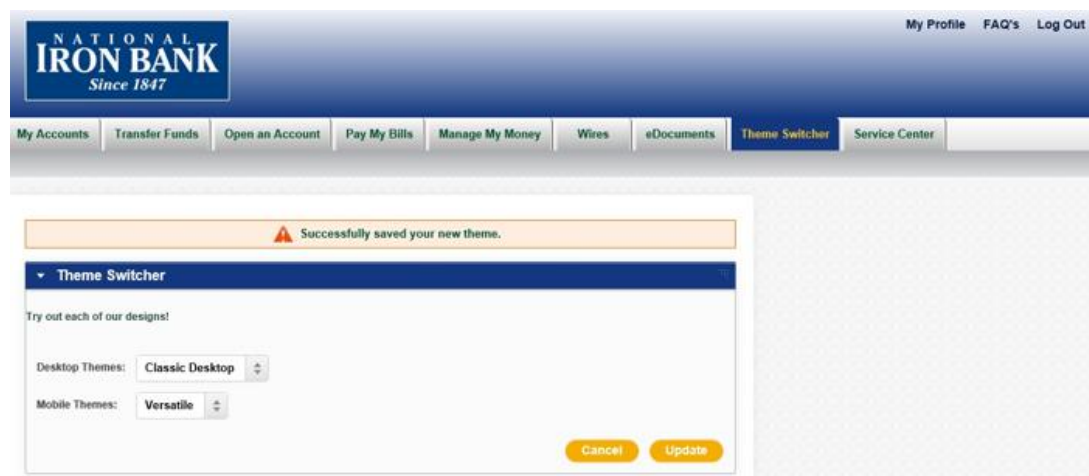

Once you have logged into your iBanking profile, click on “Theme Switcher”.

Select the Theme you would like from the drop-down list for either your Desktop and/or Mobile/App and select “Update”.

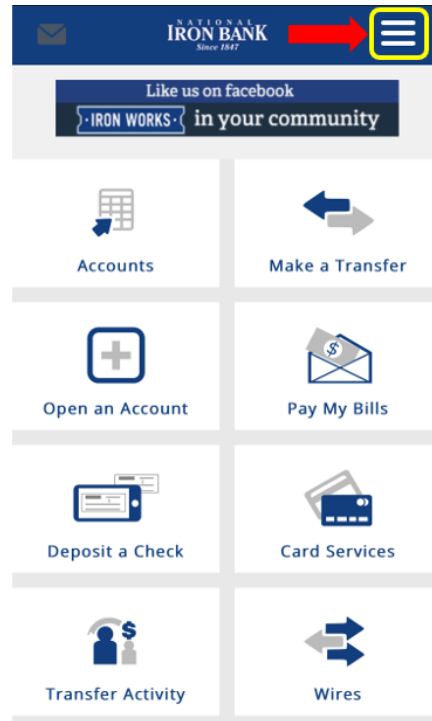

Your Theme has now been updated and can be changed again at any time.

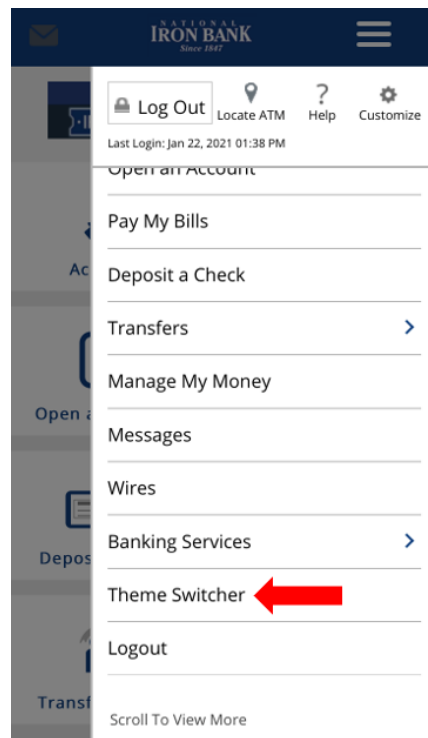

MOBILE/APP VERSION:

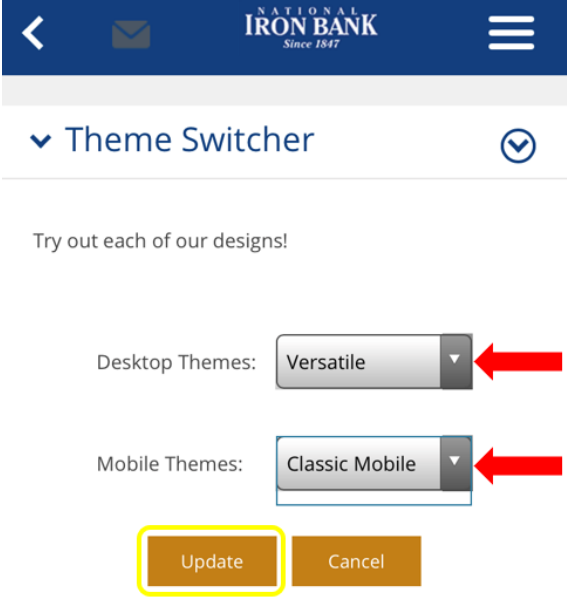

Once you have logged into your iBanking profile, click on the menu, represented by 3 horizontal lines.

Scroll down the menu and click on “Theme Switcher”.

Select the Theme you would like from the drop-down list for either your Desktop and/or Mobile/App and select "Update".

Your Theme has now been updated and can be changed again at any time.
